

Folding-arm full-cassette awning

Trentino Mini

Just *enjoy* life!

Trentino Mini – the small flat cassette

Full-cassette awning for balconies and small outdoor seating areas

Function enhanced by design

– the connection of folding arms to front profile

Elegance and stability

– the arm brackets

The **Trentino Mini** creates a snug seating area and adds a splash of colour to small patios.

The angular design of the Trentino Mini creates a particularly harmonious combination with modern geometrical architecture and current trends. Like the large models in the Trentino family, the Trentino Mini offers a high level of comfort and superior quality standard. It can be equipped with a variety of optional extras.

Full cassette

Enclosed all around and measuring just 11.8 cm in height, the cassette reliably protects the awning from the effects of the weather.

Trentino Mini

Equipment and technical features

Manufactured and assembled in Germany

TÜV-tested safety (under preparation)

Quality and technology CE-compliant
